All About Smiles Appointment Policy

We are pleased you have chosen to become patients at our office. We take pride in our office and our practice, and will strive to make dental visits a pleasant, even enjoyable, experience for you and your family.

Because we know your time is valuable, as is our time, it is necessary for you to arrive at your appointment on time. We do not put more than one patient in each appointment block. Your time schedule is reserved especially for you. Therefore, it is of utmost importance that you are on time. If you are more than ten minutes late for your scheduled appointment, we reserve the right to reschedule you to another day and/or time. Rushing through dental treatment because of patient tardiness can compromise the results of that treatment, and is unacceptable to our dental team, and most importantly, to you!

In addition, our office must be notified if you will be unable to keep a scheduled appointment. For your convenience, you may call the office 24 hours a day, seven days a week to leave a message. Cancellations must be made at least 48 hours before your appointment. This gives us adequate time to call and appoint other patients needing treatment. If you cancel your appointment without giving at least 24 hours notice, or if you fail to keep an appointment without giving our office any notification two times within the course of one year, it will be necessary for you to seek dental treatment at another dental office of your choosing.

Again, we would like to thank you for allowing us to serve your dental needs. We value and appreciate you as a patient and as an individual. If we can do anything to make your experience here more enjoyable and relaxing, please do not hesitate in informing us.

Thank you for your cooperation.

Office Financial Options

It is our goal to make financing of dentistry comfortable for all of our patients families. We realize that dentistry may be costly. We feel the following options will meet the needs of most of our patients.

- 1. Payment by appointment. (This options lets you spread out your payments according to your treatment plan.)
- 2. MasterCard, Visa, American Express or Discover
- 3. 3 to 18 month interest free or extended financing through Care Credit. (Please see our business team for further information.)
- 4. A 10% reduction in your fees if there is no insurance to file.

If payment goes past due we reserve the right to add reasonable & customary fees for collection or attorney fees.

With Regards to Insurance Benefits

- Insurance benefits are designed to cover some, but not all, of your dental services. We will be happy to submit your services to your insurance company as long as you have provided us the appropriate information prior to services being rendered.
- Insurance is not meant to be a "pay all". Please know that most always there will be a co-payment due at the time of each service.
- Most insurance companies let you choose your own dentist. All insurance companies have their own fee schedules. These
 fees are not always the same as the fee your dentist charges for the same services.
 - Example if your dental insurance company states they allow two FREE cleanings a year; what they mean is they will pay up to 100% of THEIR fee for a cleaning, exam and x-rays. Meaning, if your dentist charges \$70.00 for a "cleaning" and your dental insurance fee schedule states that they pay 100% BUT their fee is \$60.00; the patient ends up owing their dentist an additional \$10.00 because of the difference in the fee schedule of the dental insurance vs. the dental office.
- You are responsible for all differences in the fees between the insurance company and the dental office, unless your
 dentist has a contract with your specific dental insurance company to accept the fees that the insurance dictates.

Our doctors HAVE CONTRACTS with the following insurance companies:

- 1. Delta Dental of Oklahoma Premiere provider only
- 2. Blue Cross Blue Shield of Oklahoma
- 3. Cigna Radius Network only
- 4. Health Choice aka STATE Insurance

We will bill ALL insurance companies for payment. If, however, your insurance is not one of the companies listed above, there MIGHT be a difference in fees, in addition to your copay, that you would be responsible for. We strive to give our patients our best GUESS and will always submit for a written authorization from your insurance company for any treatment recommendations above \$500 so you, as the patient, will have minimal surprises as to what your out of pocket cost is after your insurance company pays.

pocket cost is after your insurance company pays.		
I have read and understood the above statements.
